This event has been organised by the municipal Gallery of Art in Legnica (Poland) for over forty years. Every year in May, numerous jewellery exhibitions are held in Legnica, presenting several hundred items by Polish and foreign artists, as well as accompanying events, including a seminar entitled "The Boundaries of Global Art". Once again, the Festival programme is full of events focused around jewellery. This year's edition will include 13 exhibitions of unique artistic jewellery, posters and photographs, located in 10 exhibition sites in the heart of the town.
