Legnica Jewellery Festival SILVER is one of the largest reviews in Europe presenting, promoting and documenting activities in the field of broadly understood artistic jewellery a niche area that lies on the borderline of the fields of art, craft and design. This event has been organised by the municipal Gallery of Art in Legnica (Poland) for almost fifty years. Every year in May, numerous jewellery exhibitions are held in Legnica, presenting several hundred items by Polish and foreign artists, as well as accompanying events, including a jewellery symposium. This year's edition will include 13 exhibitions of unique artistic jewellery, posters and photographs, located in 10 exhibition sites in the heart of the town. The shows will feature around 1000 objects by nearly 400 artists from 45 countries.
